Perfect Packaging for Your Beverage Portfolio

Bringing your brand vision to life is our specialty. Using our diverse product selection and ability to customize your packaging with innovative materials and formats, we can help you better highlight your products while minimizing your shipping costs. Your dedicated Cogent account representative will partner with you for strategic forecasting that better manages your inventory to allow reliable on-time delivery. Working with Cogent, you'll be certain to never miss a critical wine-club delivery or special beverage release.

Our selection of beverage-shipping products includes:

- Pulp wine shippers and boxes
- Foam wine shippers and boxes
- Wine carriers
- Champagne shippers and boxes
- Corrugated packing boxes
- Bubble wrap and other protective packaging
- Gift packaging
- Wine totes
- And much, much more!

Contact us today to learn more about our beer, wine, and beverage solutions to simplify your operations, satisfy your customers, and support your profitability.

About Cogent Solutions & Supplies

At Cogent, we deliver more than supplies. We help you clearly see opportunities to optimize your operations, enhance your customer experience, and ultimately support your profitability. Whether you need guidance on equipment, advanced inventory management, forecasting support or design solutions, we are ready to help you with clarity and expertise.
