

# Your Single Source for Clean

Cogent Solutions & Supplies is your go-to source for all the janitorial, sanitation, and maintenance products that keep your facility safe, sanitary, and productive. You can rely on us to provide products that will result in sparkling floors, clean restrooms, and comprehensive sanitation systems that ensure a safe facility that leaves a lasting positive impression.

We will deliver all the essential supplies you need, when you need them, along with better solutions that save you time and money.

## Providing a Better Experience

We are dedicated to delivering a better service and supply experience that makes it easy for your business to maintain a clean, safe, and pleasant facility. The benefits of working with your friendly, experienced Cogent account representative include:

- Product recommendations and optimization strategies that save you money and reduce chemical usage
- Consultation in choosing products that align with your company goals for safety, sanitation, and sustainability
- Inventory management and warehousing options that reduce your need for excessive onsite storage
- Reliable on-time delivery for the certainty you will have what you need, when you need it

## The Single-Source Supplier You Can Rely On

Our full line of janitorial and sanitation supplies and chemicals allows us to serve as your single-source supplier for all of your facilities overall maintenance needs. We can source or find better solutions for all the products you need, from the everyday to the obscure, with our personal service and competitive pricing.

Our selection includes:

- Paper products
- Floor care products
- Restroom supplies, dispensers, and cleaners
- Disinfectants and sanitizers
- Concentrated multi-use chemicals and dispensers
- Cleaning tools
- Waste receptacles and liners
- Personal hygiene products and dispensers
- First aid and health supplies
- Extensive sustainable and eco-friendly options
- And much more!

**Contact us today to learn how we can help you create a cleaner environment, streamline your processes, and lower your costs as your single-source supply provider of facility, janitorial, and sanitation supplies!**

### About Cogent Solutions & Supplies

At Cogent, we deliver more than supplies. We help you clearly see opportunities to optimize your operations, enhance your customer experience, and ultimately support your profitability. Whether you need guidance on equipment, advanced inventory management, forecasting support or design solutions, we are ready to help you with clarity and expertise.
